

Honorable Mention, Poetry, Grades 10-12, Aida Weiss

Where do you go

do you dream for your dreams
like I do
when my head hits the pillow
thoughts flood my mind
thoughts that I dread
they come and don't tread
until the dreams fight back
against the monsters under my bed
And the monsters in my head
so I look forward
to that moment of ease
when I can escape from reality
of monsters
and thoughts
that come
when I go to bed
